

Hillsboro High School, Hillsboro OR

March 13th, 2009

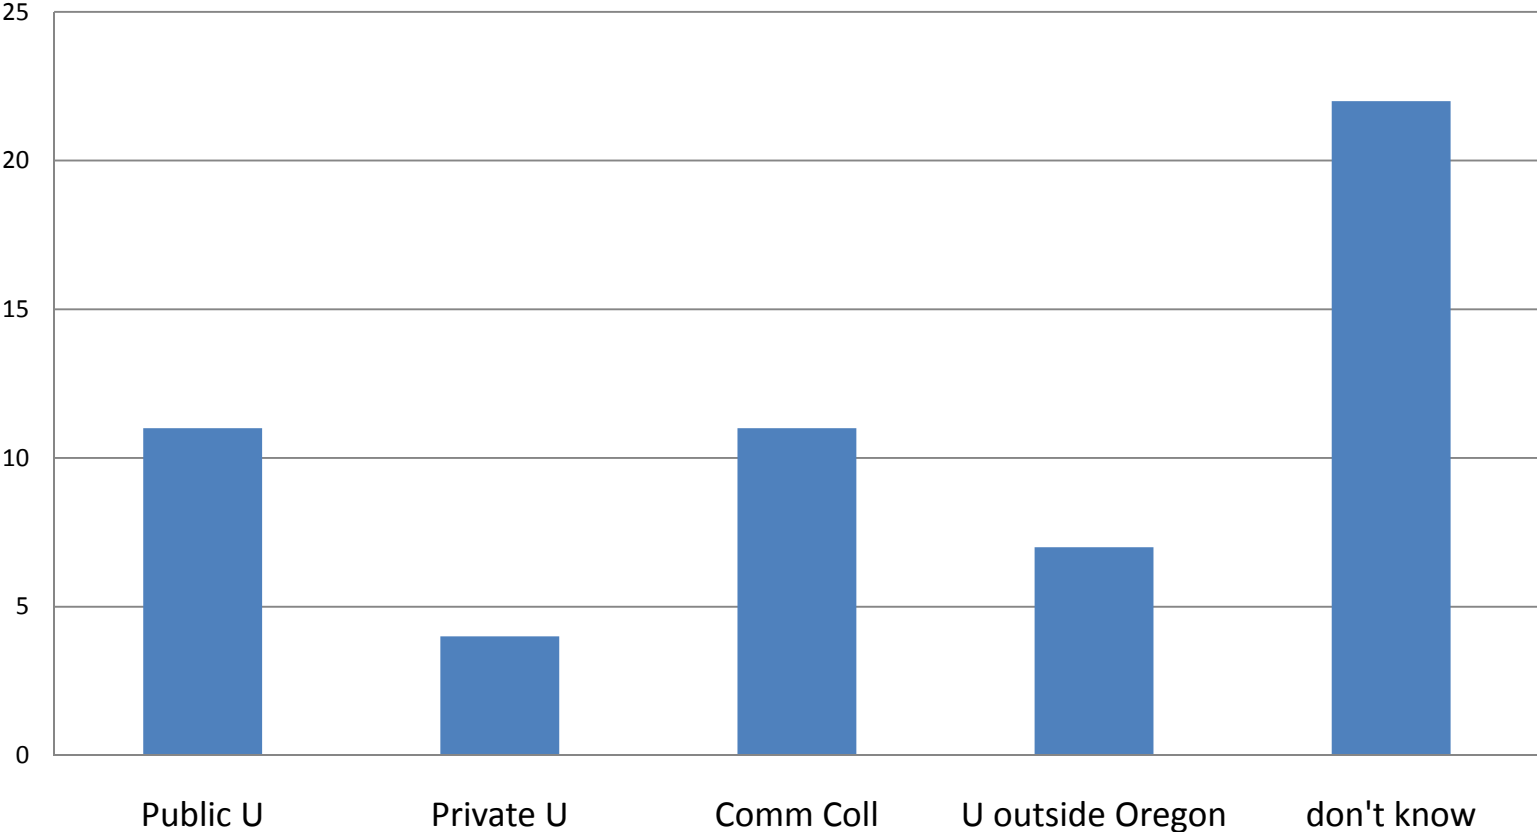

- Students reviewed GetReal website then took on-line survey
- Don Domes, Engineering, 24 responses
- Stephen Nelson, Programming, 26 responses

Hillsboro High School, Hillsboro OR

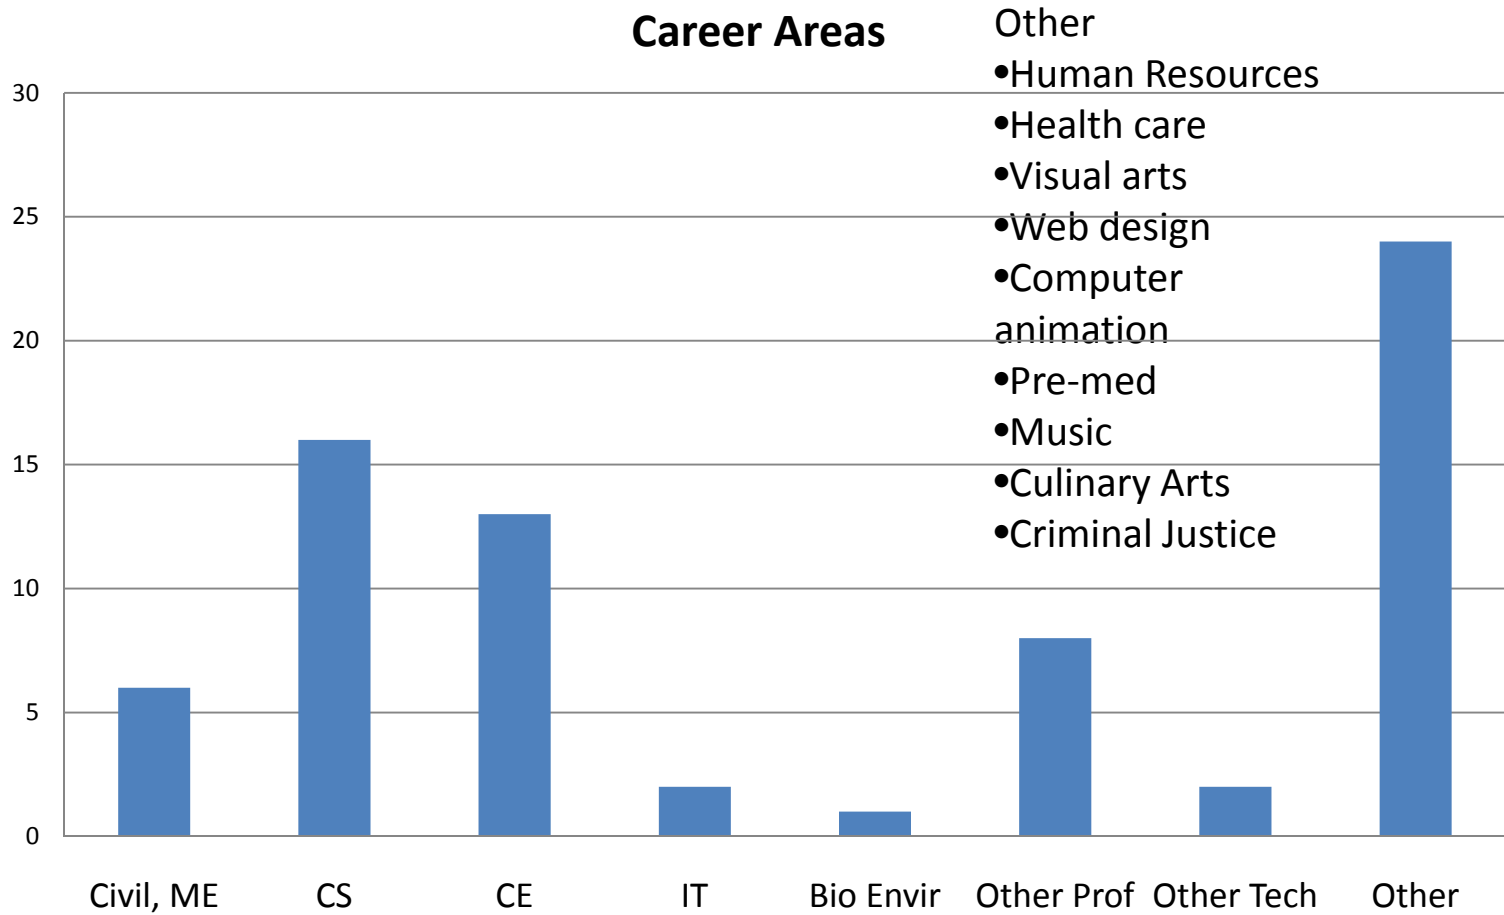

March 13th, 2009

- College Plans
 - Even spread between state, community college, with significant don't know
- Career Areas
 - CS and CE probably from Stephen's programming class
 - Significant Other career areas, including: HR, Health sciences, Web development, Pre-med, Music, Culinary arts, Criminal justice
- Career Concerns
 - Even spread except Wages less concern than Scholarship funds (this is common among all schools and respondents)
- Computer Experience
 - Programming experience in Java
 - Engineering, low in advanced software experience
- CS Course Experience
 - Java and C++ experience
- Class Standing
 - Interesting that majority students are Freshman/Sophomore
